ON PETITION

This is a decision on the renewed petition under 37 CFR 1.137(b), filed May 7, 2007, to revive the above-identified application.

The petition is **GRANTED**.

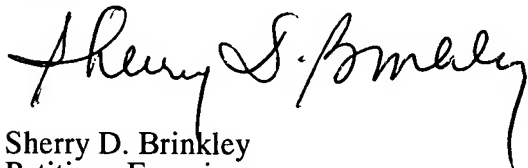

A review of the record discloses that this application became abandoned for failure to timely reply within the meaning of 37 CFR 1.113 to the final Office action, mailed November 3, 2005, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the application became abandoned on February 4, 2006. On July 14, 2006 a petition to revive under 37 CFR 1.137(b) was filed; however, the petition was dismissed in a decision mailed March 8, 2007. In response, on May 7, 2007, the present petition was filed.

The petition is found to comply with the requirements of 37 CFR 1.137(b). The application is being revived for consideration of a submission under 37 CFR 1.114 (request for continued examination).

It is noted that fees were also charged in association with a May 11, 2007 Petition under 37 CFR 1.137(b) and Request for Continued Examination (RCE). Since the second petition and RCE are not necessary in view of the present petition, the \$750 and \$395 fees paid therefor on May 11, 2007 are being credited to counsel's deposit account.

This application is being referred to Technology Center AU 3632 for processing of the RCE filed May 7, 2007 and for appropriate action by the Examiner in the normal course of business on the amendment submitted in accordance with 37 CFR 1.114.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3204. Inquiries relating to further prosecution should be directed to the Technology Center.
